March 19<sup>th</sup> 2015

*leanXcam EOL Notice*

SCS and Systronics announce the end-of-life status and phasing out of retail sales of the leanXcam Open Source Smart Camera.

- Last date to place orders: **June 31<sup>st</sup>, 2015**
- Final production and shipment date: **September 30<sup>th</sup>, 2015**
- End of technical support by SCS: **December 31<sup>st</sup>, 2015**

Depending on order quantity, not all placed orders might be filled.

There will be no follow-on product lines and there are no recommended replacements or alternative smart camera products available from SCS/Systronics. All warranties on existing products and warranties for newly purchased products will be honored pursuant to their terms.

Systronics ([info@systronics.ch](mailto:info@systronics.ch)) continues to take and fill volume pre-orders from business customers.

All source code, binaries and documentation will remain online at  
<https://github.com/scs/leanXcam/wiki>.
